An installation service for new members was held January 10, 2012. Quota International of Massillon welcomes you! Each woman was given tokens of welcome by the individual member who recruited them. Val and Dee will be installed at a later time. Sally was installed in November and is away for the winter. Due to a busy lifestyle, Anne-Marie Beris was just installed that evening. Our new members then provided us with information about herself and why she joined Quota.

The Membership Committee did an outstanding job of bringing ten new members into our club since last summer! Individual commitment to a group effort - that is what makes Quota International of Massillon work so well! All of us are very excited to get to know our new members.

The Christmas Tour of Homes was a great event – we had beautiful weather, a delicious luncheon, awesome style show with beautiful models (complete with Santa and Mrs. Claus), and four lovely homes to tour. The chairperson, Anna Mavrakis, has reported a profit of \$6,696.74! Way to go, a wonderful event! Many thanks go out to everyone who made this event so successful.

JANUARY HOLIDAY DINNER

We had a lovely evening January 10 at the Massillon Woman's Club for our holiday dinner and new member installation. The Women's' Club was still beautifully decorated for the Christmas holidays and the Club opened their gift shop for purchases. Our dinners were delicious as always and the cinnamon buns are always the best treats!! Thanks to Vicki Goodson-Schrader for handling the reservations and payment collection, Appreciation goes to Dianne Day for presenting a fun getting-to-know-each-other activity, and Paula Ziccardi for donating the name pins presented to each new member.

We will be installing new officers for 2012-2013 in April. Positions needed include: two director positions, secretary, treasurer, & president. Please consider serving your Quota club by accepting nomination to one of these positions. The nominating committee will be contacting you soon.

The 2012 Dinner & Auction will be March 17th – that’s right – St. Patrick’s Day! It will be held again at the Myers Lake Ballroom. So get your best green outfit ready and plan to attend as co-chairs Linda Fowler and Sandy Brockman organize an evening of good fortune. Donations for silent and live auctions are needed and appreciated – contact either Linda or Sandy with any items you can obtain. Auction letters and procurement forms are available.

JUNIOR QUOTA OF MASSILLON

On Wednesday, December 14, 2011 twenty-eight WHS students were officially inducted as Junior Quota Club (JQ) members. Quota International Sixth District Officers Governor Dawn Moore, Lt. Governor, Dr. Joan Finefrock, and Secretary-Treasurer, Twyla Gates installed these Washington High School students. Mayor-elect Kathy Catazaro-Perry, was the guest speaker. Superintendent Richard Goodright welcomed guests and told of his experience with Quota International. Rik’s mother was a former District 6 Governor.

Junior Quota members were given pins and a stuffed animal. The stuffed animal was in a canvas bag with the QI symbol and the website to our local QI of Massillon (thank you, Paula). They were asked to spend time with a child in need, whether it be financial or emotional, read to them and give the stuffed animal in the Quota bag to that child.

The JQ Club will be involved in food and clothing drives, community clean-ups, and fundraising, along with their parent club, Quota International of Massillon.

The JQ Club will label envelopes to be sent for our annual auction. At that time, we will work on a community needs-assessment.

Dr. Joan Finefrock, JQ Advisor

The 2012 Princess Tea Party will be held on May 5th at the Massillon Woman’s Club. Attendance is limited, watch for further information.

Anyone interested in attending the 2012 International Convention in Hawaii July 11-13, please notify Judy Ryder of their intention. They are already thinking about working out room arrangements! It is in Honolulu at the Sheraton - a wonderful place to visit for sure!

Our new grandmas are Terrie Baumgartner, grandmother to Derek Maxwell McDaniel and Marie Brahler, grandmother to Zachary Todd Brahler; Holley Maloney is expecting a granddaughter Feb. 14! New moms-to-be include Nicole Penrod who is due in April, and Kirsten Hutkay. Due to added responsibilities of motherhood and/or raising children, we regret that Nicole and Robyn Rankl are not renewing their membership for 2012. We will look forward to when you can join us again – please keep in touch!
