SHADY HOLLOW
Country Club

Dianne Day was a charter member of Quota International of Massillon, and was dedicated to the missions of Quota, having served on our Board of Directors, as well as chairing the Disadvantaged Women & Children, and Membership committees for many years. She encouraged many to join our organization, and is greatly missed by all who knew her.

Quota International of Massillon is an all volunteer 501(c)(3) non-profit service organization that has been providing needed services in the Western Stark County community for over 30 years. We are especially known for our service to individuals who are deaf or hard-of-hearing, speech impaired, and disadvantaged women and children. We were instrumental in helping pass legislation ensuring that all newborns in Ohio are tested for hearing loss prior to leaving the hospital. As of 2024, we have purchased over 370 sound field amplification systems for our local schools, purchased hearing aids for over 100 children, provided many local families in need with assistance, and granted over 40 scholarships to high school, college, and graduate students studying in the fields of speech & hearing, audiology, social work and early childhood education.

We appreciate your support of this golf outing which is our major fundraiser. Your sponsorship can help us make even more of an impact in our community.
