

International of Massillon

Quota International of Massillon
P.O. Box 81
Massillon, OH 44648

Quota International of Massillon is a 501(c)(3) non-profit service organization that has been providing much needed services in our community for over 30 years. We are especially known for our service to individuals who are deaf and hard of hearing, the speech impaired, and disadvantaged women and children.

. We were instrumental in making sure that all newborns are screened for hearing loss prior to discharge from an Ohio hospital or birthing center. This important screening became law in Ohio due to our three-year grassroots efforts working with our state legislators. Universal Newborn Hearing Screening (HB 150) was passed by the Ohio Legislature and signed into law in 2002.

. We have provided over 100 infants and children in our community with hearing aids.

. We have purchased over 350 sound field amplification systems for our local schools to improve student learning in the classroom.

. We have granted over 40 scholarships to high school, college and graduate students who are deaf or hard of hearing, and to students in the fields of speech and hearing, audiology, social work and early childhood education regardless of a hearing loss.

. We have provided local disadvantaged women and children with much needed assistance.

In order to continue providing these services to our community, we are hosting a golf outing fundraiser. The **Dianne Day Memorial Golf Outing** will be held on June 12, 2023 at Shady Hollow Country Club. Dianne, a founding member of Quota International of Massillon, was dedicated to the missions of Quota, having served for many years as the chairwoman of the Disadvantaged Women and Children committee as well as the Membership committee, encouraging many women in our community to join our organization.

Here are just a few of the ways in which your sponsorship can impact our community.

- \$3,500 will furnish one pair of hearing aids for a child! Did you know that hearing aids are considered cosmetic by insurance companies and are usually not a covered expense?
- \$2,000 will provide a student with a scholarship!
- \$1,500 will purchase one sound field amplification system for a classroom!
- \$1,200 will support two rooms for a homeless family for a year!
- \$ 500 will provide 50 filled backpacks for foster children moving to new homes!
- \$ 250 will provide a Christmas dinner for 50 shut-ins!

Please become a sponsor so that together we can make a difference in our community!

The Golf Outing Committee

Dianne Day Memorial Golf Outing
